@ *K1*

The XI-th edition of the International Workshop

## Open Education Week Workshop 2024 Challenges in Open Science & Education

Friday, March 08, 2024, 11:00 – 17:00, hybrid

| room K1, Conference Center of Politehnica University Timisoara and online |

The 11th edition of the OEW International Workshop, organized on Friday, 8 March 2024, from 11:00 to 17:00, by the Politehnica University of Timișoara, through the Digital Education Department, the Multimedia Center, together with the Alliance of European Universities E<sup>3</sup>UDRES<sup>2</sup> and the Ent-r-e-novators project, with the support of the IEEE Romania association, part of the Open Education Week 2024, in room K1 at the Conference Center of the Politehnica University of Timișoara (Vasile Pârvan Boulevard, no. 2 B, next to the Central Library of UPT) and online.

Under the theme of challenges in open science and in open education practices, tools and methods, the presentations will focus on how open science and open educational resources are integrated into everyday activities, especially in university, in research projects and generally in education. The workshop will gather international speakers with presentations, interactive sessions and discussions, and is addressed both to teachers and students, but also to actors in the field of education and training, IT trainers, or human resources departments.

The presentations will be held in English, and participants will receive Open Education Workshop Participant Open Badges online and, in addition, Certificates of Participation for physical participants.

Participation is free and you can participate by filling in the following forms:

- Register [HERE](#) for online participation:
